Breaking News :

**Representatives from the Aga Khan Academy Hyderabad, India visited Dhaka last week to introduce prospective parents to their school. The Aga Khan Academy is part of an international network of day and residential schools being established by His Highness the Aga Khan in key locations in South and Central Asia, Africa and the Middle East, said a press release Dr. Geoffrey Fisher (Head of the Aga Khan Academy Hyderabad), together with Leigh Fisher (Corporate Social Responsibility and External Relations Manager) and Mr. Imran Bandeali (Head of Admissions and Marketing) conducted a presentation about the Academy at an event held at the Indira Gandhi Cultural Centre and Ismaili Jamatkhana & Centre, Dhaka. The goal of the Aga Khan Academy Hyderabad is to provide world-class education for exceptional students with strong leadership potential. The outlook and educational perspectives of the Aga Khan Academies are based on the vision of His Highness the Aga Khan to offer education of the highest quality that can prepare young people to lead and enact positive change in the world they inhabit. Talented girls and boys are selected based on merit, regardless of socio-economic background, race, religion or culture. Financial assistance is available to ensure that lack of means does not limit access.**
