Academy graduates are among just over 159,000 students around the world to gain the IB Diploma this year. An unprecedented 25 students, 35% of the cohort, gained an English-Hindi IB Bilingual Diploma, a testament to the IB's, and the Academy's, commitment to supporting multilingualism as fundamental to increasing intercultural understanding and international-mindedness. 2017-18 Careers Season kicks off with a bang

Over the last three months, an astounding 80+ colleges, universities and institutions of higher education have visited the Academy to interact with students, parents and faculty. CIS (Council of International Schools) organised our biggest university fair to date, bringing 34 universities from 4 countries – USA, Canada, UK and Spain - to campus on a single day. Grade 12 students currently applying to college are supported by the Academy's university counsellors, which hosts university fairs and provides students with one-on-one support throughout the application process.

The Academy was fortunate to have a visit from UBC (University of British Columbia), hailed as the most international university in North America in 2017. "UBC is a very prestigious university. When you're applying to universities like I am this year, it's one that just has to be on your list," commented grade 12 student Kameel Pirani. Academy University Counsellor Ms. Pragati Pandey also attended the International Careers and College Counselling (IC3) conference on the 30-31st of August in New Delhi to drive transformative counselling and admissions practice. IB PYP at the Academy has had a fun and learning-filled half semester. Super Saturdays were busy with parent orientation sessions, trips to Qutb Shahi tombs, student council elections and a particularly vibrant day dedicated to different festivals. Grades 1-5 students also celebrated numerous assemblies marking International Dot Day, Onam, World Literacy Day, and Hindi Diwas to name a few. Additionally, two Hyderabad PYP network events took place in August with sessions on 'ICT in the classroom' and 'Library science & skills.'

A huge haul of medals

Over 70 Academy students participated in four inter-school competitions for basketball, football, swimming and skating, highlighting our commitment to physical education and developing leadership through teamwork and individual accomplishment.

89 students accompanied by 11 teachers journeyed into the forests of Srisaïlam as part of the IAYP (International Award for Young People) trek in September 2017. Our IB MYP students enjoyed bonfires, rock climbing, jungle safaris, cable car rides, and visits to local monuments. "This year, being the leader of a team, I developed a sense of responsibility in myself and learned that patience can solve a lot of issues," commented grade 10 trekker Tanya Verma.
