Overview

The Aga Khan Academy Mombasa is a secular, co-educational, day and boarding school for students in grades 1–12, with residential life beginning from grade 6. It is part of the Aga Khan Academies network of schools being established in 14 countries in Africa, Asia and the Middle East. The Academies are part of the Aga Khan Development Network.

The aim of the Aga Khan Academies is to influence progress in the developing world by educating students to become home-grown leaders who can effect positive change in their societies. The Aga Khan Academy Mombasa works towards this vision by providing world-class education for exceptional students irrespective of their cultural or socio-economic background.

Curriculum

The Aga Khan Academy Mombasa is a triple programme IB World School, offering the Primary Years, Middle Years and Diploma Programmes. The Academy's programme additionally emphasises five cross-curricular areas of study: Ethics, Pluralism, Cultures, Governance and Civil Society, and Economics for Development. These themes provide a framework for developing students as global citizens and ethical, pluralistic leaders.

Graduation requirements:

- 6 subjects: 3 at the Higher Level (HL) and 3 at the Standard Level (SL)
- Theory of Knowledge course
- 4,000-word Extended Essay on a student-chosen topic
- Creativity, Activity, Service (CAS): Extensive participation in community-based service projects

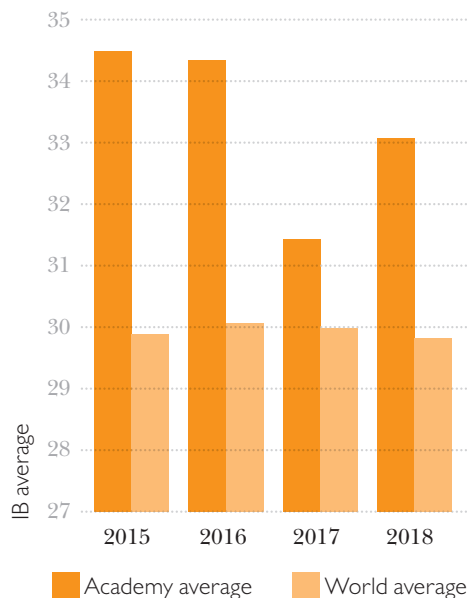

Unique service internships

The Academy's summer internship programme is a unique, service-based learning initiative that supplements the CAS (Creativity, Activity, Service) portfolio of the IB Diploma Programme. Students spend an intensive month in urban and rural areas in their home countries, working with non-profit organisations focusing on education, rural development, women's empowerment, child health, disaster awareness, youth training, agriculture and nutrition among many other areas.
