Class of 2021

The Aga Khan Academy Mombasa congratulates the members of the graduating class of 2021 and expresses appreciation to all those who supported them.

“In a world of rapid change, an agile and adaptable mind, a pragmatic and cooperative temperament, a strong ethical orientation - these are increasingly the keys to effective leadership. And I would add to this list a capacity for intellectual humility which keeps one’s mind constantly open to a variety of viewpoints and which welcomes pluralistic exchange.”
