Overview

The Aga Khan Academy Mombasa is a private, non-profit, non-denominational, co-educational, day and residential school for students in Grades 1-12, with residential life beginning from Grade 6. It is part of the Aga Khan Academies (AKA), an integrated network of schools being established in countries across Africa, South and Central Asia, the Middle East and Europe. AKA is part of the Aga Khan Schools (AKS), an agency within the Aga Khan Development Network. AKS comprises of a network of over 200 schools, more than 100 non-formal education programme centres and seven hostels, serving over 96,000 students from the age of 18 months to adulthood each year across 12 countries.

The aim of the Aga Khan Academies is to influence progress in the Global South by educating students to become home-grown leaders who can support positive development in their communities. The Aga Khan Academy Mombasa works towards this vision by providing world-class education for exceptional students irrespective of their cultural or socio-economic background.

Curriculum

The Aga Khan Academy Mombasa is an IB World School, offering the Primary Years, Middle Years and Diploma Programmes. The Academies programme additionally emphasises five cross-curricular themes known as the Aga Khan Curricular Strands: Ethics; Pluralism; Cultures; Governance and Civil Society; and Economics for Development. These themes provide a framework for developing students as ethical, pluralistic leaders who create positive change in their communities.

Graduation requirements:

- 6 subjects: 3 at Higher Level (HL) and 3 at Standard Level (SL)
- Theory of knowledge (TOK) course
- 4,000-word extended essay (EE) on a student-chosen topic
- Creativity, activity, service (CAS): Extensive participation in community-based service projects

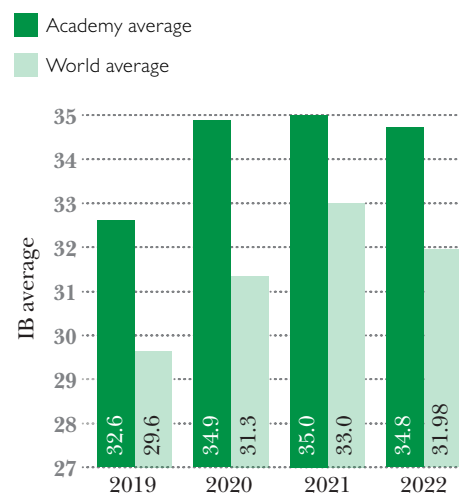

Unique service internships

The Academy's summer internship programme is a unique, service-based learning initiative that supplements the creativity, activity, service (CAS) portfolio of the IB Diploma Programme. In 2022, the programme took place virtually and in person, allowing students to work with worldwide non-profit organisations focusing on areas including agriculture, child health, disaster awareness, education, nutrition, rural development, women's empowerment and more.
