

Graduation fete held at Aga Khan Academy

The fourth Graduation Ceremony of 69 students of Grade 12 of The Aga Khan Academy Hyderabad was held at its premises near Rajiv Gandhi International Airport on Saturday.

Her Excellency Nurjehan Mawani, Diplomatic Representative to His Highness the Aga Khan in Afghanistan graced the occasion as the Chief Guest.

Addressing the passing out students, HE Nurjehan Mawani told them to be ambassadors for the academy, its values and what it represents. "Life's journey will be filled with unlimited opportunities, possibilities and both favorable and unfavorable winds under your wings. The world that you want to help build and create will

help you navigate your choices", she said.

The highlight of the event was the live streaming of the ceremony to the sister Academy in Mombasa, Kenya as well as

Afghanistan, to include parents and families of students currently at the Academies in both the countries. AKDN contributes more than 6.5 billion USD to projects in 30+ countries to address the big global problems of poverty, health, education and heritage challenge.

With a curriculum explicitly designed to develop leadership through a framework of five strands - ethics, pluralism, heritage, governance and civil society, the Academy places strong emphasis on integrating technology into classroom learning. It is also the only school in the city to have received the IGBC Platinum Rating Certification, making it a pioneer in the national Indian green schools movement.
