

## Newsletter No. 3 2016/17

16th September 2016

Dear Parents,

Welcome to this year's 3rd Junior School Newsletter. We hope that our families who celebrated Eid on Monday, had a peaceful and joyous occasion.

These past weeks in the Junior School, as always, have been eventful. On Tuesday we had our Year 4 classes go on a field trip to the Sapling Trust in Nyali, as part of their Unit of Inquiry on *Children's Rights*. We also made headway with the Student Representative Council (SRC) election campaigns and included below is the timeline of events.

### Student Council Representative Election Timeline

Some SRC campaign posters

Baseline assessments in reading and mathematics continue to be carried out, and we look forward to meeting at the Parent-Teacher Conferences in October, to share with you how your child has settled into their new year level, as well as to give an overview of their academic achievements so far. This will also be an opportunity to provide us with your feedback and to ask any questions.

### **Year 4 visit to Sapling Trust – Tuesday 13<sup>th</sup> September**

On Tuesday 13<sup>th</sup> September the Year 4 students visited the Sapling Trust, an educational and rehabilitation centre for children with cerebral palsy and other special needs. The trip was organised to provide our students with first-hand experience to develop a better conceptual understanding, that all children have the right to education, regardless of their physical and intellectual challenges. In addition, students were enabled to understand the role of civil society in promoting equality and providing opportunities to a group of children. This understanding will further investigate their inquiry which explores how organisations work to help protect Children's Rights.

Below, a student's reflection from the visit to the centre included:

*There are different Children's Rights provided by Sapling Trust:*

1. *A right to protection: To provide this right they take care and watch over them.*
2. *Haki ya elimu: Ili kufanikisha haki hii, shirika la Sapling huwasaidia kusoma.*
3. *A Right to love: To provide this right they care for them and guide them.*
4. *Haki ya kucheza: Ili kufanikisha haki hii, shirika la Sapling huwapa ruhusa ya kucheza.*

### **Parent Workshops**

As always, it is a pleasure to have parents take part in the workshops we provide. Attached with this newsletter is the power point presentation from the workshop, *An Introduction to the PYP*, which was held earlier in the month.

Please note that the next workshop on Citizenship, which was scheduled for Thursday 22<sup>nd</sup> September and Thursday 29<sup>th</sup> September, has been postponed to Thursday 3<sup>rd</sup> November at 8.00am and Thursday 10<sup>th</sup> November at 5.00pm. If you are planning to attend, please inform the school office at [rebecca.davis@agakhanacademies.org](mailto:rebecca.davis@agakhanacademies.org)

## The Learning Commons

Our Library, now known as the Learning Commons, is taking shape and becoming an active part of our school. We are well underway with cataloguing new resources and books but would really appreciate any parent volunteers who have a bit of spare time, and would like to help us. Below is some information from our Teacher-Librarian, Ms Kristine Leabres.

### Reading

*We are exploring the concept of 'stamina' or doing something for a long period of time, without getting tired or giving up. We connected this to one of our Junior School Essential Agreements – being 'resilient'. You can support your child at home by providing a comfortable place to sit and a regular time to read books. You can discuss with your child, what it feels like when a person has reading stamina. How long can your child read and be truly engrossed in a story or information they are reading? Can they train or practice to become a better reader, just like an athlete trains to be better in sports or in preparation for a competition? How can you increase your child's reading stamina? Further information is provided in the link:*

### International School Book Club

The Scholastic International School Book Club (ISBC) has produced a brand new Book Club selection of quality children's books, at discounted prices. The books they offer are carefully chosen to get children reading for pleasure and to keep them reading right through their teenage years. For every 1US\$ that parents spend on a school's Book Club order, ISBC donates 20% in FREE BOOKS back to the school, which go into the Library. Your child will have received an ISBC catalogue and order form today. If you wish to buy some of the books, please return the order form and payment in cash or cheque, (payable to the school), by **Monday, 26<sup>th</sup> September 2016** at the latest.

The Learning Commons

*You are welcome to come to the Library on Wednesdays and Fridays at 2:00pm, before you pick up your child/children from school. You can help us by organising shelves and covering books. The Learning Commons is not just for the students, but also for teachers and parents. If you are in school during the school day, please come in and make yourselves comfortable – read a book, choose books for your child or sit and have a chat with other parents or teachers. It is open to the whole school community. Please do not hesitate to contact me for any queries or recommendations at: [kristine.leabres@agakhanacademies.org](mailto:kristine.leabres@agakhanacademies.org)*

## After-School Pick Up

We wish to remind you that students should be picked up from school promptly at the end of the school day, by **3.10pm**, except on days when there is enrichment when they should depart the campus by **4.10pm**. A teaching faculty supervises the students until this time. We cannot take responsibility for your child, thereafter. Unfortunately, we continue to have Junior School students hanging around the campus for many hours after lessons end.
